

Lantana's new normal

We have made some changes to how we operate to ensure we follow the guidance provided on reopening with Covid-19 and continue to operate safely. The well-being of both our guests and teams is paramount.

Employee training

Refresher training on all standards and Covid-19 specific training completed

Staff Health Checks

For all staff returning to work

PPE

Gloves and aprons are available for all the team. We will follow Government guidance on masks.

Reduced covers

We've reduced our tables & covers and asked for bookings to be made in advance

Risk Assessments

Completed for each site and all staff trained on these

Reduced team

We will have a reduced team working each shift with staggered breaks and start times

QR code menus

We have moved to QR codes you can scan to see your menu to limit touching surfaces & to save paper. If a menu is requested we have disposable ones only.

Reduced menu

To help ensure we can follow guidelines safely

Enhanced cleaning procedures

We will have additional, thorough cleaning on top of our usual cleaning standards

We kindly ask all guests who are displaying any symptoms not to visit us
